Baby Swimming, Buoyancy and Beachwear

for healthy happy konfident kids

Welcome...

2008 was a milestone year at Konfidence, we're proud to tell you that it was our 10th Anniversary and to celebrate, our collection is the biggest and brightest yet. We've got some fabulous new products, plus new colours for some old favourites.

At Konfidence we strongly believe in delivering quality products that offer you value for money; safety and comfort. Firmly established in the field of baby swimming; we apply the same rigorous attention to detail across our entire range of products for the pool and beach, giving you peace of mind that you're doing the best you can for your family. We cater for the tiniest tots to teenagers, and even adults so whatever stage your family is at, they can 'Grow with Konfidence' whether you're in or by the water.

We always love to hear from you, so whether it's a query or feedback please feel free to give us a call on 01579 371000 or email us at sales@konfidence.com

Best wishes

From everyone at Konfidence

For more information about us, please visit www.konfidence.co.uk

Konfidence™

Having reached the ripe old age of 10, we decided it was time for a brand review to ensure we're refreshed and ready for the next 10 years...

As a result, over time our logo will be changing to the new version on all of the products featured in this catalogue as well as on our packaging and other artwork. All other elements of colour and construction of the products will remain the same.

We hope you will like our new look as much as we do.

Please note: Size guidelines are approximate

Baby Swimming

Being calm and confident in the water is an important phase in any child's development so going to a baby swimming class is a great way to get started. Although babies don't start swimming until they are about 16 months old, getting them used to the water and relaxed in this environment will really help them out once they move onto this vital phase.

Konfidence work closely with the STA (Swimming Teachers' Association) and were proud sponsors of their 'Starfish' Baby Swimming programme. As a result of our work with the STA and various swimming schools around the country, we've developed a range of products that will keep your baby warm in the water, as well as safe and happy.

How soon can my baby start baby swimming lessons?
According to Department of Health guidelines, it's never too soon to get your baby in the water even if they haven't had all of their immunisations yet. However, if you are in any doubt we recommend you consult a qualified health professional or your local swimming teacher.
Source: STA Starfish Swimming Guide

What do I need?
You'll find everything you need to start baby swimming lessons contained in our convenient 'My First Swim Packs'. They make it easier to comply with the 'double layer' system imposed by many public swimming pools for health and hygiene reasons, and contain all the clothing you need to help keep your baby warm in the water. We've added two more packs, the silver and gold with extra goodies to make swimming trips easier and more fun. See page 9 and the back cover for more details.

If you would like more information on baby swimming classes please feel free to call us on 01579 371000 or contact the STA www.sta.co.uk

Did you know?
Every baby is born with the 'diving reflex'. This ability to automatically hold their breath once they are fully submerged in water can last up until they are approximately 12-18 months old. So it's a good idea to go to baby swimming classes as early as possible to help them develop their confidence underwater.

The Konfidence Babywarma™ - design features

Adjustable shoulder straps

2mm neoprene for flexibility and warmth

Flatlock stitching and soft lycra edging ensures maximum comfort

Wrap design applies to 0-6 and 6-12 month sizes

Velcro® fastening to allow easy access for nappy changing. Adjustable to create perfect fit.

Soft lining for extra comfort

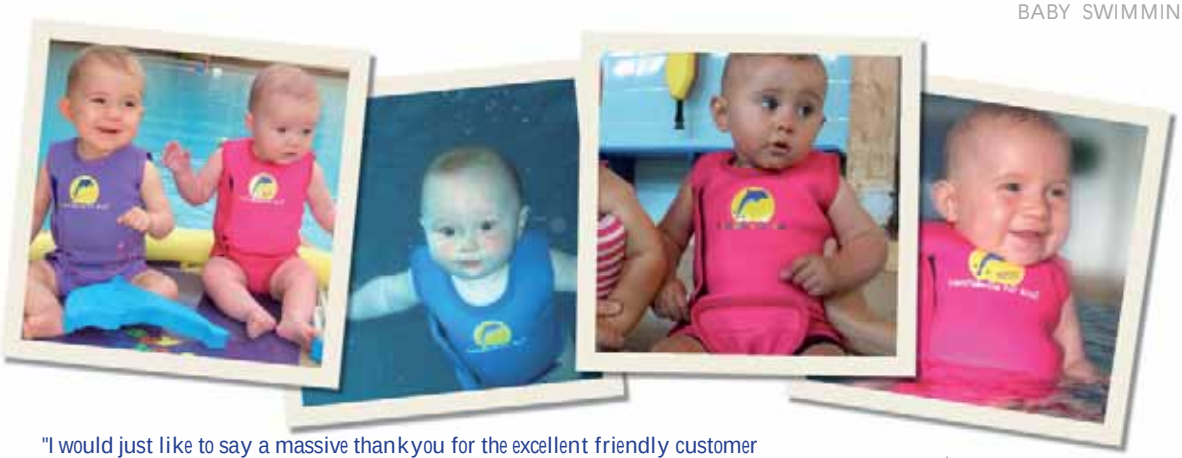
Bottom opening to allow for easy nappy changing

On sizes from birth to 12 months, our Babywarmas open flat.

Ideal for use with swim nappies and Nappicovas (see page 8)

Our biggest Babywarma (12-24 months) pulls over the head, but still provides the all-important nappy access.

Did you know?
The neoprene fabric used in our Babywarmas is the same material used for 'proper' wetsuits. As well as it's insulating properties, it also provides a little buoyancy. The neoprene is chlorine resistant and offers covered areas 100% protection from UV rays.



"I would just like to say a massive thankyou for the excellent friendly customer service & fantastic product. We had our first swim yesterday and I must say the babywarma relieved alot of my anxieties. The babywarma gave me fantastic grip and she was lovely and warm when I took it off. So a big THANKYOU and I'll be using many of your other products as Lucie grows. May '08

size	weight
0-6 months	8-16lbs/3-7kgs
6-12 months	16-26lbs/7-12kgs
12-24 months	from 26lbs/12kgs

The Konfidence Babywarma™

As a parent you'll want to do the very best for your child, that's why our range of Babywarmas are such a big hit. Even in heated pools babies can get cold very quickly, so the soft neoprene fabric that fits snugly around baby's body creates a warm, loving hug. It makes them feel safe and secure, and most importantly, keeps them warm. It's easier for parents too as the fabric ensures you keep a firm grip on your baby. With both of you relaxed and happy, you can enjoy yourselves to the full.

- **Perfect for baby swimming lessons and use in the pool**
- **Freedom of movement – soft neoprene body gives flexibility and warmth, leaving the arms and legs free to move**
- **Easy changing**
  - **for young babies the suits fold flat and the simple wraparound design makes it easy to create that snug fit**
  - **for toddlers, we've created an over-the-head design so you don't have to lay them down when changing**
- **Both styles have a bottom flap for easy nappy changing.**
- **Ideal for use with swim nappies and Nappicovas (see page 8)**

Don't forget yourself...
... during swimming classes your torso spends a long time out of the water, why not keep yourself warm and comfortable with our Micro-neo tops which are specifically designed for the purpose (see page 27).

Sizes: 0-6mths, 6-12mths

BWR01	Blue	BWR03	Powder Blue
BWR02	Pink	BWR04	Lilac

£18.99

Has your toddler outgrown his favourite Babywarma? Then why not try our Warma™ Wetsuits? See page 25.

AquaNappies™

Our adjustable AquaNappies will see your little one through from 3 months up to 3 years, and at such a great value it makes sense to purchase a couple so there's always one available whenever you fancy a trip to the pool or beach. The soft lining means they're kind to babies' skin and as they're reusable – so they're kinder to the environment too.

- Size adjustable with Velcro strips and 3 popper positions
- Softly elasticated around waist and legs for hygiene and comfort
- 3 layers of material to help prevent those accidents!

Size: 3 months to 30 months approx

OSSN01	Blue	OSSN02	Pink
OSSN03	Blue Stripe	OSSN04	Pink Flower

£6.99

Did you know?
That a double layer nappy system is now mandatory at many public swimming pools? The solution is our swim nappy combined with the Nappicova. Quick, convenient, no fuss and reduces leaks!

Swim essentials...

Nappicovas™

Worn over a normal swim nappy, our ingenious Nappicovas provide that all-important extra layer of protection giving you peace of mind when you enter the pool with your baby. So how do they work? Well, we added extra pieces of fabric inside the legs and around the waist. The close fit gives a good seal with the design operating like a 'non-return valve' and as the fabric is the same soft, neoprene there's no rubbing or chaffing of delicate skin.

- 2 new colours available
- Coordinates with Babywarmas™ (see pages 6 & 7)

Sizes: 0-3mths, 3-6mths, 6-9mths, 9-12mths, 12-24mths

My first swim pack

3 pack options available in 4 colours

Containing everything you need for your baby's swimming lessons, in a choice of four coordinating colours, 'My first swim packs' offer you a great saving on individual prices and arrives ready to go in a convenient swim bag.

£35.99 - £49.99

Save up to 20%

For more details of all the swim packs available and the great savings, see the back page.

Baby Changer mat

Changing babies at public pools is never the easiest of tasks, but our Baby Changers should help solve the problem. They provide a soft comfortable surface that's warmer for your baby to lie on, whilst the grip on the reverse means the mats won't slip or slide on wet surfaces. Also perfect for use at the pool side or as a normal changing mat when you're on the go.

- Warm, soft surface
- Easily to clean
- Multi-use – lightweight, easy to roll and carry
- Choice of 4 colours to coordinate with the rest of your baby swim gear

Size: 41.5 x 60cm

Paddlers™

As your toddler becomes more active, warmth and grip at the pool can be a concern, which is just one of the reasons we developed these cute little paddler socks. Because they're made of neoprene they're lightweight and can be worn in the water as well, so they'll also keep little feet warm and protected from infection too.

	Length	Width	Height
3-6 months	11cm	5cm	6.5cm
6-12 months	12cm	5.5cm	7cm
12-24 months	13cm	6cm	7.5cm

- Silicone grip to prevent slipping
- Seamless, soft lined inner for maximum comfort
- Design ensures they stay in place - even in the water
- Easy to get on and off

Quikfinz™ float

Children can quickly lose interest if they're not having fun, so we've developed these new floats in the shape of our own dolphin 'Quikfinz'. They can be used as a target to swim towards, or an object to push along as the children swim. The EVA foam is non-toxic and really tactile. Now everyone can have their own little Quikfinz.

Length: 26cm/10.25"

F01 Quikfinz float

£2.99

SHALLOW END

Learning to swim...

Once your baby is confident in the water the next natural stage of progression is learning to swim.

Armbands can often be cumbersome, uncomfortable to wear and difficult to get on in the first place, which is why the Konfidence Jackets and Float suits are such a great idea. With their integral floats positioned around the body they leave arms free to perfect those all-important swimming strokes. As the child grows in confidence, floats can be removed until finally all the floats are gone and they are swimming unaided.

Where can I use my Konfidence Jacket/Float Suits?
These products are great to give you extra confidence and reassurance wherever you are, including swimming pools, water parks, at the beach or in the sea. Don't forget to pack them on your holidays abroad too...

Getting started
It's never too late to learn to swim, whatever age you are. The best way is by taking swimming lessons from a qualified teacher. To find your nearest lessons, contact your local swimming baths or the STA.
www.sta.co.uk

The Konfidence Jacket™ - design features

Soft lycra binding prevents chaffing

Full instructions for float removal printed on the care label on inside of the jacket

Internal zip guard to prevent rubbing against skin or suit

Chunky YKK zip

Velcro zip guard to stop little fingers fiddling with the zip

Soft, flexible neoprene for warmth and buoyancy

Jacket style for added comfort and security

Fully complies to the latest versions of EN13138-1 and AS1900

Soft Lycra Pockets for comfort

Yellow back for hi-visibility by the pool or on the beach

Easy to use removable 8 float system for adjustable buoyancy

The Original Konfidence Jackets

Whatever age a child first goes into the water they want to feel safe and secure, which makes our Konfidence Jackets perfect for introducing the wearer to the joys of swimming, and having fun in this environment. Made from neoprene fabric they provide warmth, comfort and a feeling of security and the bright yellow backs provides hi-visibility for parents.

Our Konfidence Jackets are also available in larger sizes. Perfect for older children who want to avoid the stigma of wearing armbands whilst they're learning to swim, or teenagers and adults who are less confident in the water they provide a much more credible alternative to other swimming aids (see page 16 for more details).

- Wear with normal swimsuits/wetsuits or UV wear
- Encourages water confidence at any age

Sizes: 2-3yrs, 4-5yrs, 6-7yrs

6-7 years	47-57lbs/21-26kgs	66cm/26"

My son has been using the Konfidence swim vest and it was a huge success. He's happy swimming in the deep end of the pool! It also kept him in a good position in the water and consequently he swam much better... J. B. 2007

I just wanted to let you know that I think your service has been brilliant... I placed an order for 2 swim jackets at 4.45pm and they were with me the next day. The boys (6&7) love your jackets - these will be their second lot, the small size lasted them 3 years and I have passed them on to friends... so value for money I think. Anyway just to say thank you for you excellent service and product ! Clare 2007

Adult & Youth sizes

Adjustable crotch strap for better fit and added security (removable if not required)

I'm a female senior citizen and was afraid of the water, the Konfidence Jacket allows me to go into the pool without fear. I'm now learning to swim and have fun like everyone else. Thank you, Konfidence. Your product is fantastic. You made me very happy.'

Loretta.B. USA 2007

Youth and Adult Konfidence Jackets

Due to popular demand we make the Konfidence Jacket in youth and adult sizes. The jacket makes it possible to achieve a far better swimming position than alternative swimming aids making learning easier. It's also a more credible alternative for the older user and provides a greater sense of security and comfort. The adjustable crotch strap ensures a snug fit and can be removed if preferred. The jackets come in a unisex blue with a high visibility yellow back.

Easy to use removable 8 float system for adjustable buoyancy

Sun, sand and surf

Life's a beach... a trip to the beach is often a favourite for children - for toddlers there are rock pools to explore and sandcastles to build, whilst older ones are keen to hit the surf. And if you're taking advantage of the beaches on the British coastline the weather can be a little unpredictable.

To help you enjoy the experience to the full, we've developed a great range of UV wear, wetsuits and accessories, so whether you're home or abroad, your kids will be protected top to toe from the elements.

Sun

UV rays can be harmful, even in the UK, and as they can penetrate through water, it's always worth covering up as much as possible as well as applying a water resistant sunscreen. Our range of UV clothing is designed to be worn in or out of the water, and with an UVPF 50+, it offers 98% protection from UV rays. Made from quick drying fabrics in a fantastic range of colours for increased visibility these are a must-have item for a trip to the beach or an outdoor pool, or for simply playing in the garden.

Sand

You'll find plenty of natural hazards on any beach, but with our beach boots your children can run around to their hearts' content without stubbing toes, hurting their feet on sharp rocks or slipping in rock pools.

Surf

Wetsuits are great in and out of the water. On cooler days they help prevent chills and give that all important warmth in the water, whether they're swimming, body-boarding or learning to be a pro-surfer. Check out our 'Warma' and 'Shortie' wetsuits on pages 25-26.

Did you know?

UV rays penetrate water. Our UV Suits offer the highest UVPF for swimwear and our neoprene wetsuits give 100% UV protection to covered parts of the body.

Short-sleeve UV suits

The all in one suits are ideal for younger children as the fabric stretches and moves with them. It helps keep nappies in place and the sand out too! Our original UV suits are available in two bright sporty colours made of soft lycra, they are quick drying too.

- UVPF 50+ fabric blocks 98% of UV rays
- Quick drying lycra
- White lycra piped seams
- Bright sporty colours for added visibility
- Front zip with zip guard
- Short-sleeve

Sizes: 6-12mths, 1-2yrs, 2-3yrs, 4-5yrs, 6-7yrs

UVPF 50+

UVPF Hoodies

New and exclusive for '09 we have created a terrific after surf UVPF Hoodie. Originally conceived by Neil the warehouse manager for his son, the hoodie can be worn after swimming or surfing.
The hood is ideal to put up and protect the head and neck and the longer torso and arms offer great sun protection.

Sizes: 6-12mths, 1-2yrs, 2-3yrs, 4-5yrs, 6-7yrs, 8-10 yrs & 10-12 yrs

UVHO01 Powder Blue/Cobalt
UVHO02 Light Pink/Dark Pink

£19.99

Long-sleeve UV suits

If your little ones don't like standing still whilst you put sunscreen on them, then our new UV suits could help. With their ¾ length sleeves and legs, there's less exposed skin, giving you a better chance to apply that sunscreen before they start to fidget! All in one suits are great for younger children too as the fabric stretches and moves with them, plus it helps keep nappies in place and sand out.

- UVPF 50+ fabric cuts out 98% of UV rays
- Pastel colours with matt finish
- Quick drying lycra
- Surf style flatlock seams
- ¾ length sleeves and legs for increased skin coverage

Micro Neo T-Shirts

Practical and stylish, our Micro-Neo wetsuit T-shirts can help kids of all ages stay warmer in the water for longer. Made from ultra thin 1mm neoprene, the same material we use on our wetsuits, these tops are flexible and easy to swim in. Ideal when your kids don't want to wear a full wetsuit, but you still want to ward off any chills. Use on the beach or in the pool.

- Ideal when you don't want to wear a wetsuit
- Great for using on dry land too – helps keep the chills at bay
- 100% UV protection during outdoor use

Sizes: 2-3yrs, 4-5yrs, 6-7yrs, 8-10yrs, 10-12yrs, 12-14yrs (Black Logo design is used from 8 years onwards).

Micro Neo T-Shirts for parents and instructors

When teaching children to swim in a pool or standing in the waves keeping an eye on your youngsters it's all too easy to forget about yourself. With your torso constantly in and out of the water it
doesn't take long to feel the cold. That's why our Micro Neo T-shirts are perfect at keeping you warm. Swim instructors and parents alike can benefit from our lightweight, ultra flexible neoprene T-shirts that are just 1mm thick. They can be worn over swimwear without restricting your movement making them great to swim in too.

- Perfect for parents and swimming instructors
- Great for using on dry land too – helps keep the chills at bay
